

IB Exam Fees

Middle Years Programme eAssessment

MYP eAssessment is an optional service at ISD that offers students in Grade 10 (MYP 5) opportunities to demonstrate disciplinary and interdisciplinary understanding, international-mindedness, critical and creative thinking, problem-solving skills and the ability to apply knowledge in unfamiliar situations. On-screen examinations and ePortfolios provide a balanced model of assessment for schools seeking IB-validated grades.

MYP IB Certificate fee*: 399 EUR

**six-on screen examinations, one ePortfolio, the Personal Project*

MYP discipline fee (per discipline per student)*: 57 EUR

**The fee is for each discipline registered.*

For students who are only registered for the Personal Project, which is the majority of ISD students, there is no Personal Project examination fee.

Examples:

Student A: completes full MYP Certificate-related requirements: 399 EUR

Student B: completes English Language and literature and History on-screen examinations, one Design ePortfolio, and the Personal Project: 171 EUR

Diploma Programme Assessment

For most courses, written examinations at the end of the DP form the basis of the assessment. This is because these examinations have high levels of objectivity and reliability. Externally assessed coursework, completed by students over an extended period under authenticated teacher supervision, forms part of the assessment for several programme areas. In most subjects, students also complete in-school assessment tasks. These are either externally assessed or marked by teachers and then moderated by the IB.

IB Diploma fee*: 534 EUR

**examination registration fees of six subjects, DP Core fees*

DP subject fee (per subject per student)*: 89 EUR

**The fee is for each subject for which a course student is registered.*

DP Core fees (per student)*

**The fee is for each core requirement of the DP a course student is registered for, and for diploma (D) students retaking a core requirement. These core fees do not apply to a diploma (D) category registration.*

Extended essay: 68 EUR

Theory of knowledge: 35 EUR

Creativity, activity, service (CAS): 7 EUR

Examples:

Student A: registers for the full IB Diploma Programme: 534 EUR

Student B: registers for exams in Physics (Standard Level) and Mathematics: Analysis and approaches (Higher Level), plus Theory of knowledge and CAS: 253 EUR

Please note that for each school year IB exam fees are subject to change.
